

Career Guidance Workshop

Connecting Life with Career

Jiva means life. **Jiva** is a career guidance workshop that helps the person discover the **ideal** career by matching **interests** and **aptitudes**.

About the Jiva Career Guidance Workshop

Best suited for: Class 10, 11, 12

Duration: 6 hours

Workshop Mode: Face-to-Face OR Online

Type of Workshops: Individual and Small Group Sessions

- Counsellor-**Parent** interaction (about 1 hour) to learn more about the child's history.
- Counsellor-**Student** workshop through Jiva career development workbook with psychological games, tests, puzzles, educational paths and the latest career information (about 5 hours).
- Findings and recommendations are sent to the family in the form of a detailed and individualised **Career Report**, showing the blue print for the child's career development.
- **Follow up** is provided as needed.

We would love to offer the Jiva workshop to your family, to discover the best path for your child. We hope to hear from you!

Jiva Approach to Career Guidance

WE ARE...

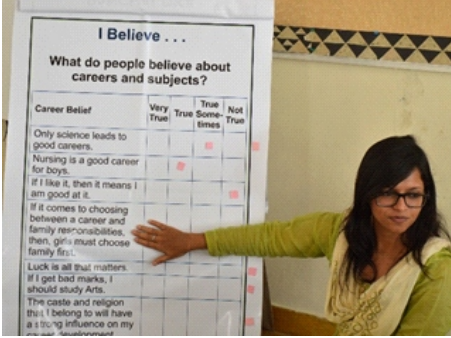

...a national and international network of psychologists, counsellors, social workers and teachers mentored by The Promise Foundation. We have worked together for three decades to develop research-driven, professional career counselling services specifically for Indian students.

- 30+ years of experience... from 1990.
- 3 lakh+ students have used Jiva.
- 200 Jiva counsellors trained.
- 3 Indian languages.
- 15 countries have adapted Jiva through UN and other international agencies.

A Values Based Approach

Jiva interprets ancient Indian values through simple activities. Participants introspect and work out what career means to them from a lifelong perspective.
