

Career Guidance at the Secondary Education Stage in Tamil Nadu: Teacher Training Programme

*A partnership between The Promise Foundation and UNICEF
(office for Tamil Nadu & Kerala)*

Training of Government of Tamilnadu Master Trainers

The government of Tamil Nadu deputed master Trainers from the Tamil Nadu State Council for Education Research and Training (SCERT) to be trained by The Promise Foundation on the **knowledge and skills** pertaining to career and livelihood planning. Resources persons were trained over two residential training programmes.

Glimpses into the Training of Government Deputed Master Trainers

Follow up Training of Government Deputed Master Trainers

A total of 26 master trainers were trained in two full time, residential, 5-day face to face workshops. All participants were provided with comprehensive lecture notes, templates, sample, illustrations and videos. With this training all the material, templates, videos and teaching-learning material were handed over to the Government of Tamil Nadu. As per the government's plans, this group will now bring the programme to scale by training government high school teachers covering the entire state.
